

Coach Ashley Burelison

First off, let me say that I am very excited to be directing the AJAA program again this year! I hope that your daughters will have a very memorable season.

My family is my pride and joy! My husband, Brian, and I have been married for 3 ½ years. Our son, Brayden just turned 3! We have a little cheerleader, Lilly Faith, due in August. We have two furry children, Bentley and Lexi. I love to vacation, read, and spend time with my boys!

I am currently a student at Saint Mary-of-the-Woods College and majoring in high school mathematics education. I plan on graduating in 2 years but for the time being I spend most of time at home with Brayden, and soon to be Lilly.

I cheered all 4 years of high school at Avon. While at Avon, I received a leadership award, several UCA All American bids, and participated in making history by winning the Hendricks Co trophies all four years to complete the 5 year streak, and receiving 2nd place at the State Fair both on JV and then on Varsity. Then, I went on to cheer and coach all-star cheerleading and obtained several National Titles. I just recently began teaching tumbling again at The Flip Zone in Plainfield. I have cheered and coached a total of 10 years including 2 years of gymnastics, at Avon Middle School North, all-star gyms, and am the Avon High School head coach for

my 2nd year. I have choreographed several routines for other schools, judged tryouts and competitions, and am AACCAs Safety Certified.

Cheerleading is my passion and coaching your girls is one of the best enjoyments in my life! My hope is to take your girls to whatever level they desire to reach, whether that is simply recreational, all-star, or middle school. I also hope to be a positive role model in their life, and a coach of life skills, not just in cheerleading.

Thank you to everyone joining our 2010-2011 Avon Junior Cheerleading!
I look forward to getting the season started!
